IMAGINACIÓN

IMAGINATION

In our story, **La Pintora y Los Duendes**, the painter tricks the elves by putting glue into the paint cans so she can trap them. Now it's your turn to be the storyteller! Imagine a different ending and write or draw it below.

A large, empty rectangular box with a black border, intended for the student to write or draw their alternative ending to the story.

CUERPO

In our story, the elves painted with their whole bodies. See how many Spanish words for body parts you can remember by dragging them onto the elf and putting them over the correct part of his body.
